## REINVENTING AND TRANSFORMING THE ENERGY SYSTEM

University of Washington  
Alder Hall Commons Auditorium  
1310 NE 40th St. Seattle, WA 98105

The 2018 Northwest Energy Systems Symposium brings regionally recognized experts to discuss:

- » Energy Storage and Renewables
- » Energy Data Science
- » WA Clean Energy Fund Grants
- » EIM and Transmission RT Tools

Additional conference information at [www.nwess.org](http://www.nwess.org)  
\$225 for IEEE members, \$250 for non-members, \$15 for students  
Registration opens on January 29th

Registration includes refreshments and lunches. Campus parking available for \$15/day.

NWESS is sponsored by the electric energy industry of the Pacific Northwest, UW Department of Electrical Engineering and the Seattle Section of the IEEE.
